DEFENSE CLAIMS THE TRIBUNAL INCOMPETENT

Surprise Sprung at Trial of Koreans
on Conspiracy Charge.

Seoul, Korea, Jan. 13.—A surprise
was sprung today on the court try-
ing the 106 Koreans charged with con-
spiring against the life of the Japa-
nese governor-general of Korea, Count
Terauchi, when counsel for the de-
fense asserted the tribunal was in-
competent.

Takuzo Hanai, one of the barristers,
speaking on behalf of all the defend-
ers of the accused, asserted that the
offense with which the prisoners were
charged was a political one. They al-
leged, he said, that the attempt was
against the governor-general of Korea
and not against Count Terauchi him-
self. Therefore, he argued, only the
supreme court was competent to try
them.

The court will consider the plea and
announce its decision on January 15.
Rockville.—Hon. George B. Chandler
of Rocky Hill is to deliver an address
before the members of Sabra Trumbull
chapter, D. A. R., this (Tuesday) af-

The Best Cough Syrup is Easily Made at Home
Costs Little and Acts Quickly.
Money Refunded if It Fails.

This recipe makes a pint of cough
syrup, if desired you about \$2.00 as com-
pared with ordinary cough remedies. It
stops obstinate coughs—even whooping
cough—in a hurry, and is splendid for
sore lungs, asthma, croup, hoarseness
and other throat troubles.

Mix one pint of granulated sugar with
3/4 pint of warm water, and stir for 2
minutes. Put 2 1/2 ounces of Pinex (fifty
cents' worth) in a pint bottle, and add
the Sugar Syrup. Take a teaspoonful
every one, two or three hours. Tastes
Good.

This takes right hold of a cough and
gives almost instant relief. It stimu-
lates the appetite, and is slightly laxa-
tive—both excellent features.

Pinex, as perhaps you know, is the
most valuable concentrated compound of
Norway white pine extract, rich in
guaiacol and the other natural healing
pine elements.

No other preparation will do the work
of Pinex in this recipe, although strained
honey can be used instead of the sugar
syrup.

Thousands of housewives in the United
States and Canada now use this Pinex
and Sugar Syrup recipe. This plan has
often been imitated, but the old success-
ful formula has never been equaled. Its
low cost and quick results have made it
immensely popular.

A guarantee of absolute satisfaction, or
money promptly refunded, goes with this
recipe. Your druggist has Pinex, or will
get it for you. If not, send to The
Pinex Co., Ft. Wayne, Ind.

Allen Bridge Brilliantly Lighted.

The lights on the new Allen bridge
were turned on for the first time Mon-
day night. The bridge has been in use
since Thanksgiving, but it was impos-

was some delay in getting the iron
pole on which to place the wires. The
bridge and entrance to the park are
now brilliantly illuminated by the 14
large electric lights. Stafford people
appreciate the gift more and more
every day, and are very grateful to Mr.
Allen, who had the structure built
without costing the town a penny.

Reason for Resignation of Mexican
Ambassador to United States.

Mexico City, Jan. 13.—Don Manuel
Calero, hitherto Mexican ambassador

gave as the cause for his resigna-

Feel Shaky, Bilious, Headachy, Or Constipated? Take Cascarets

Sick headaches! Always trace them
to lazy, delayed, fermenting food in
the bowels or a sick stomach. Poison-
ous, constipated matter, gases and bile
generated in the bowels, instead of be-
ing carried out of the system, is re-
absorbed into the blood. When this
poison reaches the delicate brain tis-
sue it causes congestion and that dull,
sickening headache.
Cascarets remove the cause by stimu-
lating the liver, making the bile and
constipation poison move on and out
of the bowels. The effect is almost in-
stantaneous. Ladies whose sensitive
organs are especially prone to sick
headaches need not suffer, for they
can be quickly cured by Cascarets.
One taken tonight will straighten you
out by morning—a 10-cent box will
keep your head clear, stomach sweet,
liver and bowels regular and make you
feel bright and cheerful for months.
Children need Cascarets, too—they
love them because they taste good and
never gripe or sicken.
